

Demonstration on Solar Powered Refrigerated Truck for the Transportation of Fresh Fish

This is the third programme in the series of organizing Demonstration on Solar Powered Refrigerated Truck for the Transportation of Fresh Fish. This one day demonstration was organized by the IEEE Young Professional-Madras Section and Artisanal Deep Sea Fishers IEEE SIGHT, Madras Section (Approval Pending) at St. Xavier's Catholic College of Engineering at Chunkankadai, Nagercoil, Kanyakumari District on 27th January 2015.

The objectives of the demonstration:

1. Encourage Engineering Students in involving Solar Power related Research and Studies

2. Encourage Engineering students to become Solar Energy Professionals
3. To disseminate various use and applications of solar energy in education and fisheries
4. Promote the use and application of solar energy

Students from the department of Mechanical and Electrical attended the demonstration. Dr. S. Joseph Sekhar, Principal visited the demonstration along with other faculty members and wished them all for the successful completion of the programme. Prof. V. Christus Jeya Singh, Head of the Department of Mechanical led the Mechanical students along with his colleagues Prof. G. Antony Miraculas, Dr. S. Julyes Jaisingh, Prof. M. Antony Forster Raj, Prof. T.M.Chenthil Jegan and Prof. Ajith J Kings. Dr. M. Marsaline Beno, Head of the Department of Electrical led the Electrical students along with his colleagues Prof. A.
